

WHAT IS RECYCLING?

Recycling means taking the materials we use and turning it into something new. This has many benefits for the earth. No one wants to live on a dirty planet!

BENEFITS

- >> Less waste
- >> Reduced water, energy, and pollution
- >> Safer and healthier world

Did you know?

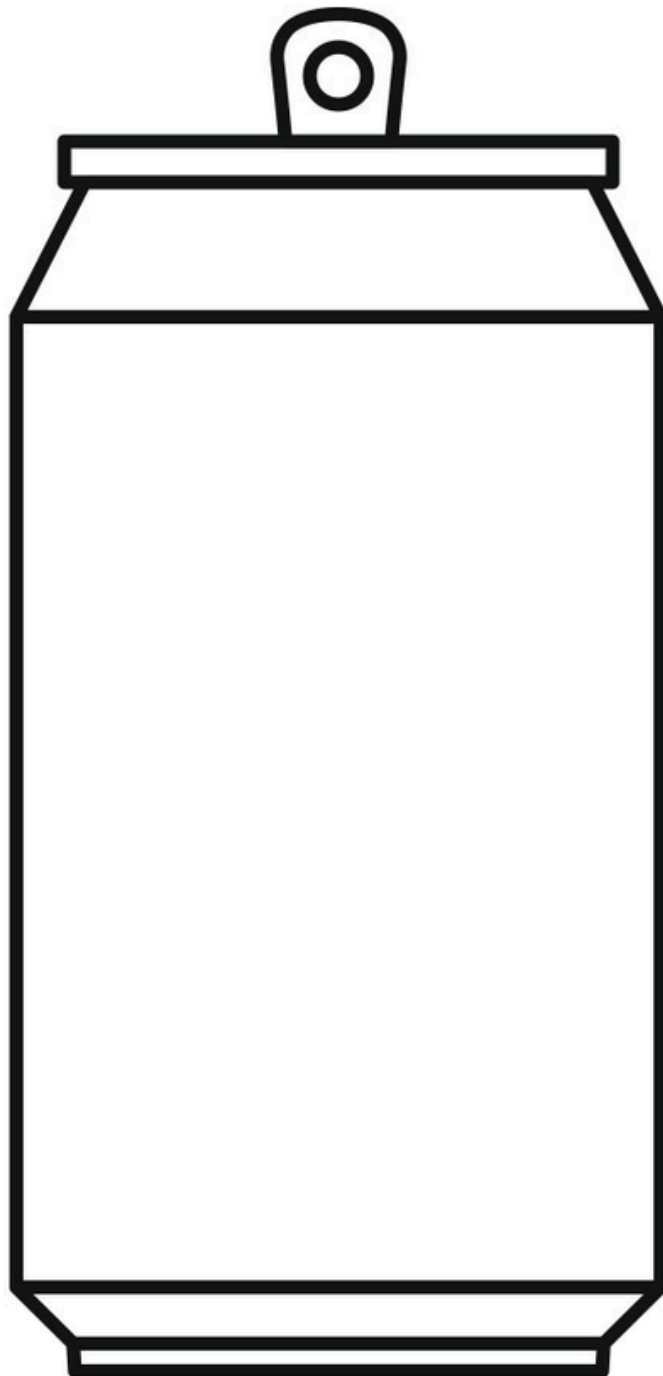

Beverage cans can be back on the store shelf in just 60 days!

CREATE YOUR TEAM ALUMINUM HERO

INSTRUCTIONS

Gather some materials that you can use to create an aluminum animal, person, creature or whatever comes to mind.

SUGGESTED MATERIALS

Aluminum cans, milk jugs, rope, ribbon, paper scraps, greeting cards, popsicle sticks, pipe cleaners, paper towel rolls, wrapping paper, magazines, anything else you can find lying around!

SUPPLIES

Tape, glue, safety scissors, markers, paint.

**One person's trash is
another person's
spaceship or robot.**
